 Re: Democratic Party of Illinois #C00167015
 Year ended (7/1/01 -- 12/31/01)

Dear Nicholas:

Enclosed is a copy of your notice regarding the above referenced committee. We are enclosing letters from the contributors in question. These letters verify that their contributions satisfy the requirements of federal law.

The transfers from the DNC were incorrectly reported on line 11c. They have been moved to line 12 in the amendment. They were from the IL State Party Victory Fund.

Enclosed is a copy of our best effort letter and a copy of an original solicitation letter. The new H1 as reflected in the June 30, 2001 amendment, which disclosed the Federal ration of 22% and Non-Federal ration of 78%.

The schedule H2, reporting Metro East Event 2001 ratios of 12% Federal and 88% Non-federal and fall event ratios of 42% Federal and 58% Non-Federal was reflected in the June 30, 2001 amendment.

The disbursement that was for Generic GOTV was for advertising for no one specific candidate. It was a generic advertisement, like, vote Democratic. The transfers in from Gordon & Schwenkmeier for telemarketing contributions were all unitemized and were corrected in the amendment.

We hope this answers all your questions and we're sorry for any inconvenience this may have caused you. If you have any questions, please do not hesitate to call.

Sincerely yours,

Reference: Year End Report (7/1/01-12/31/01)

Dear Mr. Kaspar:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion(s) attached) discloses one or more contributions from an organization(s) which is not a political committee registered with the Commission. In order for your committee to accept contributions from unregistered organizations into accounts used to influence federal elections, your committee should take steps to insure that the contributor(s) used permissible funds to make the contribution(s) to avoid violating 2 U.S.C. §§441a(f) and 441b or 11 CFR §102.5(b). Under 11 CFR §102.5(b), organizations which are not political committees under the Act and choose to contribute to federal committees must either: 1) establish a separate account which contains only those funds permitted under the Act, or 2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution.

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. In addition, please clarify whether the contribution(s) received from the referenced organization(s) is permissible.

To the extent that your committee has received prohibited funds, you may

DEMOCRATIC PARTY OF ILLINOIS
PAGE 2

have to make a refund. If within 30 days of receipt you (1) transferred the prohibited amount to an account not used to influence federal elections, and (2) provided written notice to the person making the contribution of the option of receiving a refund, you may retain the contribution in an account not used to influence federal elections. Any request from a donor for a refund must be honored.

If the foregoing conditions for transfers to a non-federal account were not met within 30 days of receipt, the prohibited amount must be refunded. See 11 CFR 103.3(b)(f).

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for any transfer-out or refund. Should you choose to transfer-out or refund the contribution(s), the Commission will presume the funds were impermissible if no statement from your committee provides information to the contrary. Transfers-out and refunds should be disclosed on a Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, prompt action by your committee in transferring-out or refunding the amounts will be taken into consideration.

-Your report discloses memo Schedule A's totaling \$19,356.93 from the IL Party Victory Fund, which appears to be a joint fundraising committee. However, there are no corresponding transfers-in from this committee disclosed on Schedule A for supporting Line 12 of the Detailed Summary Page. Please clarify this apparent discrepancy.

-Commission Regulations require that a committee disclose the identification of all individuals who contribute in excess of \$200 in a calendar year. (11 CFR §104.3(a)(4)(i)) Identification for an individual is defined as the full name, mailing address, occupation and name of employer. (11 CFR §100.12) Your report discloses contributions from individuals for which the identification is not complete.

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the

DEMOCRATIC PARTY OF ILLINOIS
PAGE 3

Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of the requirements of federal law for the reporting of such information. (11 CFR §104.7(b)(1))

Second, if the information is not provided, you must make one follow-up, stand alone effort to obtain this information, regardless of whether the contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. (11 CFR § 104.7(b)(2))
The request must:

- clearly ask for the missing information, without soliciting a contribution;
- inform the contributor of the requirements of federal law for the reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you shall either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR §104.7(b)(4))

Please provide the missing information or a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide.

-Your report does not include a Schedule H1 to disclose the ratio for the allocation of administrative and generic voter drive costs. Schedule H1 must be filed with the first report each year for National, State and Local party committees, and with the first report filed in the two-year election cycle for Separate Segregated Funds and Non-connected committees. All shared administrative and generic voter drive costs incurred during the

DEMOCRATIC PARTY OF ILLINOIS
PAGE 4

two-year cycle must be allocated according to this ratio, unless the federal account elects to pay a higher percentage of its cost. 11 CFR §106.5(b)(2), (d)(1), (d)(2) and 11 CFR §§104.10(b)(1)(ii)(B) and 106.6(c)

-Schedule H4 discloses a disbursement(s) which is categorized as a fundraising expense(s); however, a Schedule H2 has not been filed to disclose the allocation ratio. All committees are required to allocate the direct costs of each fundraising event in which the committee collects both federal and non-federal funds. The costs are allocated according to the funds received ratio and reported on Schedule H2. 11 CFR §§106.5(f) and 106.6(d). Please file a Schedule H2 to disclose the ratio for the fundraising event(s).

-Please amend your report by providing the purpose for each disbursement itemized on Schedule H4 supporting Line 21(a).

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule H4 of your report to clarify the following description(s): "Generic GOTV". For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Refunds to individuals should be properly disclosed on a separate Schedule B, supporting Line 28(a) of the Detailed Summary Page. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing.

- The Commission notes your transfers-in from Gordon & Schwenkmeyer for "Telemarketing contributions < 100." For your information, all contributions received that aggregate \$200 or less per individual for the calendar year should be reported on Line 11(a)(ii). Contributions received aggregating over \$200 per individual for the calendar year should be reported on Line 11(a)(i) and itemized on Schedule A. Please amend your report to correctly disclose this activity.

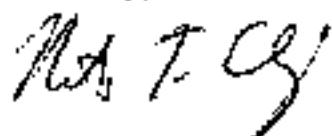

A response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days

DEMOCRATIC PARTY OF ILLINOIS

of the date of this letter. Electronic filers must file amendments in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. For Judge Richard J. Elrod
55 West Monroe
Chicago, IL 60603

Dear Judge Elrod:

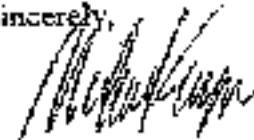

I am writing regarding your recent contribution to the Democratic Party of Illinois. As you know, the State Party solicits contributions to assist candidates for both state and federal offices. In that regard, we would prefer to use your contribution for federal purposes.

Under federal law, a state or local political committee may contribute up to \$1,000.00 per calendar year to federal political committees. This is an aggregate limitation rather than a limitation per federal committee. In order to make such an aggregate contribution, however, the state or local committee must have sufficient funds in its account that meet the restrictions and limitations of the Federal Election Campaign Act. In general, funds satisfy the federal Act if they were received from individuals (rather than corporations, unions or state political action committees).

This letter is to verify that your contribution satisfies the requirements of federal law and that the Democratic Party of Illinois may deposit your contribution in its federal account. If that is the case, please sign this letter in the place indicated and return it to my attention in the enclosed envelope. Note that such a designation will preclude (if your contribution is \$1000) or limit (by the amount of your contribution if less than \$1000) your committee from making any additional contributions to federal candidates for the remainder of 2001.

Thank you for your prompt attention to this matter. If you have any questions, please feel free to call me at (312) 704-3292.

Sincerely,

Michael J. Kasper

Honorable Jim Brosnahan
9514 South Springfield
Evergreen Park, IL 60805

Dear Representative Brosnahan,

Under federal law, a state or local political committee may contribute up to \$1,000.00 per calendar year to federal political committees. This is an aggregate limitation rather than a limitation per federal committee. In order to make such an aggregate contribution, however, the state or local committee must have sufficient funds in its account that meet the restrictions and limitations of the Federal Election Campaign Act. In general, funds satisfy the Federal Act if they were received from individuals (rather than corporations, unions or state political action committees).

This form is to verify that your contribution satisfies the requirements of federal law and that the Democratic Party of Illinois may deposit your contribution in its federal account. If that is the case, please sign below and return this form with your contribution. Note that such a designation will preclude (if your contribution is \$1000) or limit (by the amount of your contribution if less than \$1000) your committee from making any additional contributions to federal candidates for the remainder of 2001.

Thank you for your prompt attention to this matter.

Sincerely,

Michael J. Kasper

Dear Mr. Sam:

I am writing regarding your recent contribution to the Democratic Party of Illinois. As you know, the State Party solicits contributions to assist candidates for both state and federal office. In that regard, we would prefer to use your contribution for federal purposes.

Under federal law, a state or local political committee may contribute up to \$1,000.00 per calendar year to federal political committees. This is an aggregate limitation rather than a limitation per federal committee. In order to make such an aggregate contribution, however, the state or local committee must have sufficient funds in its account that meet the restrictions and limitations of the Federal Election Campaign Act. In general, funds satisfy the federal Act if they were received from individuals (rather than corporations, unions or state political action committees).

This letter is to verify that your contribution satisfies the requirements of federal law and that the Democratic Party of Illinois may deposit your contribution in its federal account. If that is the case, please sign this letter in the place indicated and return it to my attention in the enclosed envelope. Note that such a designation will preclude (if your contribution is \$1000) or limit (by the amount of your contribution if less than \$1000) your committee from making any additional contributions to federal candidates for the remainder of 2001.

Thank you for your prompt attention to this matter. If you have any questions, please feel free to call me at (312) 704-3292.

Sincerely,

Michael J. Kasper

Under federal law, a state or local political committee may contribute up to \$1,000.00 per calendar year to federal political committees. This is an aggregate limitation rather than a limitation per federal committee. In order to make such an aggregate contribution, however, the state or local committee must have sufficient funds in its account that meet the restrictions and limitations of the Federal Election Campaign Act. In general, funds satisfy the Federal Act if they were received from individuals (rather than corporations, unions or state political action committees).

This form is to verify that your contribution satisfies the requirements of federal law and that the Democratic Party of Illinois may deposit your contribution in its federal account. If that is the case, please sign below and return this form with your contribution. Note that such a designation will preclude (if your contribution is \$1000) or limit (by the amount of your contribution if less than \$1000) your committee from making any additional contributions to federal candidates for the remainder of 2001.

Thank you for your prompt attention to this matter.

Sincerely,

Dear Mr. Giglio:

I am writing regarding your recent contribution to the Democratic Party of Illinois. As you know, the State Party solicits contributions to assist candidates for both state and federal office. In that regard, we would prefer to use your contribution for federal purposes.

Under federal law, a state or local political committee may contribute up to \$1,000.00 per calendar year to federal political committees. This is an aggregate limitation rather than a limitation per federal committee. In order to make such an aggregate contribution, however, the state or local committee must have sufficient funds in its account that meet the restrictions and limitations of the Federal Election Campaign Act. In general, funds satisfy the federal Act if they were received from individuals (rather than corporations, unions or state political action committees).

This letter is to verify that your contribution satisfies the requirements of federal law and that the Democratic Party of Illinois may deposit your contribution in its federal account. If that is the case, please sign this letter in the place indicated and return it to my attention in the enclosed envelope. Note that such a designation will preclude (if your contribution is \$1000) or limit (by the amount of your contribution if less than \$1000) your committee from making any additional contributions to federal candidates for the remainder of 2001.

Thank you for your prompt attention to this matter. If you have any questions, please feel free to call me at (312) 704-3292.

Sincerely,

Michael J. Kasper

The Honorable William Shaw

3510 North Greenview Avenue, #3
Chicago, IL 60637

Dear Senator Shaw: Senator Madigan

Under federal law, a state or local political committee may contribute up to \$1,000.00 per calendar year to federal political committees. This is an aggregate limitation rather than a limitation per federal committee. In order to make such an aggregate contribution, however, the state or local committee must have sufficient funds in its account that meet the restrictions and limitations of the Federal Election Campaign Act. In general, funds satisfy the Federal Act if they were received from individuals (rather than corporations, unions or state political action committees).

This form is to verify that your contribution satisfies the requirements of federal law and that the Democratic Party of Illinois may deposit your contribution in its federal account. If that is the case, please sign below and return this form with your contribution. Note that such a designation will preclude (if your contribution is \$1000) or limit (by the amount of your contribution if less than \$1000) your committee from making any additional contributions to federal candidates for the remainder of 2001.

If you have any questions, please contact me at (312) 704-3292. Thank you for your prompt attention to this matter.

Sincerely,

Michael J. Kasper
General Counsel
